PURPOSE & VISION

Adaptive Pickleball helps people with physical and cognitive disabilities improve their happiness, fitness, confidence, and overall quality of life by using the game of pickleball as therapy.

We regularly host free Pickleball Play Days for adaptive players of all ages. For many, these playing sessions provide recreational therapy. For the more athletic players, these sessions feed one's competitive spirit.

Your donation to Adaptive Pickleball will help improve the lives of disabled people in the following ways:

- Significantly increase the number of Pickleball Play Days
- Provide more sport wheelchairs (\$2,500 each) for players to use
- Purchase nets, paddles, balls, and other pickleball equipment
- Help fund the startup costs needed to run a charity pickleball tournament
- Expand our reach outside of Greer, SC to all of the Upstate SC area
- Develop an ongoing league for adaptive pickleball players

MAKE A DONATION
